## General

Introducing MAXIM a 2018 Lagoon 42 Owner's Version catamaran that embodies Lagoon's vision for modern, comfortable cruising. The Lagoon 42, designed by the acclaimed VPLP team and launched in 2016, marked a significant step forward in catamaran design with its sleek, contemporary lines, forward-set mast for improved performance, and a focus on light, open living spaces. The Owner's Version was conceived for those seeking a true home on the water, dedicating the entire starboard hull to a private suite and raising the standard for comfort and livability in this class. MAXIM showcases the best of this innovative design with her spacious owner's suite, bright and inviting salon, and seamless flow between indoor and outdoor living areas. Outfitted with thoughtful upgrades (including diesel heat throughout), well-maintained systems, and a host of features for both relaxation and adventure, MAXIM is ready for extended cruising or luxurious liveaboard life. In the sections that follow, you'll find a detailed, room-by-room tour and an overview of what makes Maxim a standout example of the sought-after Lagoon 42 Owner's Version.

## EXTERIOR AREAS

SUGARSCOOPS AND TRANSOM: The transom and sugar scoops aboard MAXIM are thoughtfully designed for both relaxation and practicality, serving as the ideal transition between the sea and life on board. Positioned close to the water, the sugar scoops make it easy to step aboard from a swim or tender ride, while the custom swim ladder on the starboard side ensures smooth, effortless access for guests of all ages. A robust custom dinghy lift securely stores the included 2017 Highfield 350 tender,

powered by a 2021 Suzuki DF20A 20HP outboard, making waterborne adventures simple and convenient. Additionally, the sugar scoops provide direct access to the engine rooms for easy maintenance. Custom swim ladder (starboard) Close to the water to allow ease of access Custom dinghy lift 2017 Highfield 350 10′ with 2021 Suzuki DF20A 20HP outboard Access to engine rooms COCKPIT/HELM: The sport deck helm aboard MAXIM is a true command center, thoughtfully elevated for panoramic visibility and easy communication with the cockpit and crew. Accessed by a set of steps leading up from the teak-floored cockpit, the helm offers ergonomic seating and intuitive access to sail controls and winches, ensuring a comfortable and responsive sailing experience. From the helm, a few steps further lead up to the aft cockpit roof, where a spacious sun pad invites relaxation and several solar panels provide efficient, eco-friendly power generation. The cockpit itself is a social hub, featuring elegant teak flooring, generous bench seating for guests, and a stunning custom laser-engraved cockpit table for memorable alfresco dining. A large sliding door seamlessly connects the cockpit with the light-filled saloon and galley inside, creating an open, fluid space ideal for entertaining or unwinding. At the helm, a full suite of B&G navigation electronics puts state-of-the-art sailing technology at your fingertips, making every voyage aboard MAXIM safe, enjoyable, and effortless. B&G Zeus 12" GPS / Chart Plotter B&G 4G Radar B&G Forward Scan Sonar B&G Zeus Autopilot with wireless remote B&G V50 VHF radio B&G Water Temp / Tridata display Plastimo Compass Handheld Spotlight Elevated sport deck helm for superb visibility Steps leading to aft cockpit roof/hardtop with sun pad and solar panels Teak-floored cockpit Generous bench seating Custom laser-engraved cockpit table Large sliding door opens saloon/galley to cockpit, blending indoor and outdoor living Excellent access to sail controls and winches U-shaped settee to starboard Laser engraved teak table (3) 110W solar panels (7) 170W solar panels (6) 400W solar panels (2) 300W solar panels (2) Silent Wind Pro wind generators Sunpad BOW: MAXIM’S bow is crafted for both reliability and relaxation, with a broad, reinforced deck that allows for safe movement and efficient line handling during docking and anchoring. The signature Lagoon trampoline stretches between the twin sponsons, providing a comfortable spot to lounge whether underway or at anchor. The Allpa 4 kW generator is conveniently housed in a protected hatch for easy access. Robust ground tackle includes a 73lb Rocna anchor and 260′ of 3/8″ chain, all managed by a powerful Quick Aleph AL3 1100W windlass with drum and secured by a Mantus anchor bridle for peace of mind in any anchorage. 73lb Rocna anchor with 3/8″ chain 260′ of 3/8″ chain Mantus anchor bridle Quick Aleph AL3 1100W windlass with drum Spacious trampoline for lounging Allpa 4 kW generator (in protected forward compartment) Ample storage lockers Stainless-steel safety rails

## INTERIOR ACCOMMODATIONS & LAYOUT

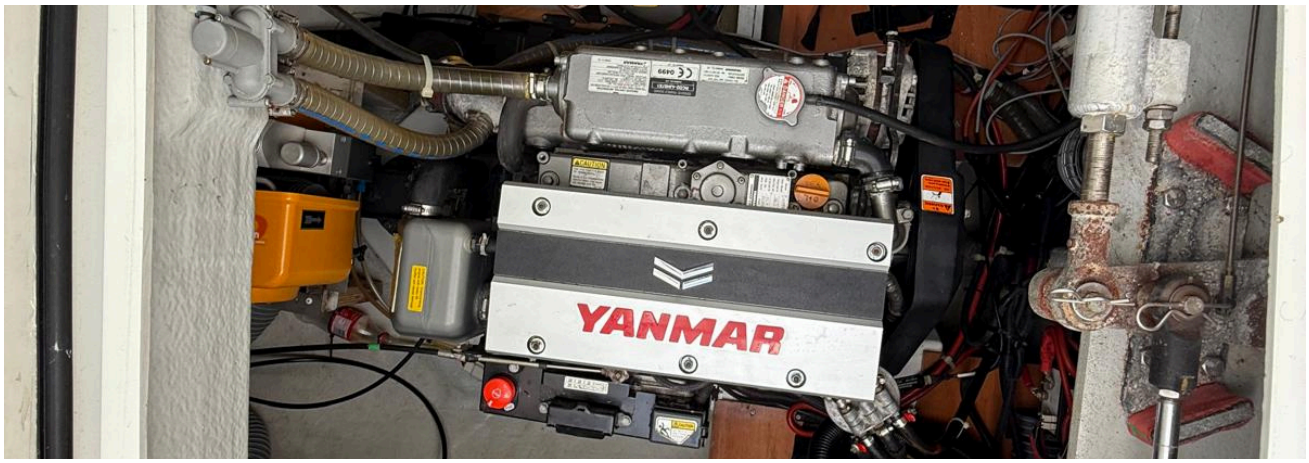

MAIN SALOON: The saloon aboard MAXIM serves as a bright and spacious centerpiece, featuring large wraparound windows that fill the area with natural light and offer stunning panoramic views. A forward-positioned, U-shaped settee provides comfortable seating for dining, relaxing, or entertaining around a central table, all accented by contemporary finishes and high-quality materials for a stylish yet practical atmosphere. The open layout encourages easy movement and socializing, with the galley conveniently attached to starboard and a large sliding door that fully opens to the aft cockpit—

seamlessly blending indoor and outdoor spaces for gatherings and daily life on board. 32″ TCL flat screen Smart TV Teak flooring Aft and forward-facing dinette Charting and navigation table Overhead LED lighting (2) Forward opening hatches Rivacold air conditioning 12V circulation fans Panoramic windows GALLEY (ATTACHED TO SALOON): MAXIM'S galley is a chef's dream afloat, blending sleek design with exceptional functionality to elevate your onboard culinary experience. Bathed in natural light and seamlessly integrated with the open saloon, the galley connects directly to the aft cockpit through a large sliding door that fully opens—effortlessly merging the saloon, galley, and cockpit into one expansive, sociable living space. This inviting arrangement allows you to prepare everything from quick snacks to gourmet feasts while always staying connected with family and guests, indoors or out. Outfitted with premium appliances, abundant storage, and thoughtful touches throughout, the galley ensures that every meal is a pleasure—whether at anchor in a secluded bay or underway to your next destination. Below, you'll find a detailed list of Maxim's impressive galley features and equipment. Frigoboat top loading freezer Isotherm refrigerator Vitrifrigo refrigerator Cata 2-burner LPG stove Cata 2-burner induction stove Single basin stainless steel sink Sage smart oven Whirlpool convection microwave oven Jura coffee maker Coffee grinder Blender Bridge Point Reverse Osmosis water filtration Weber Q1200 grill (2) Vitrifrigo VF55P portable refrigerator/freezers Tesy On-demand hot water heater Gorenje ice maker GUEST STATEROOM (PORT SPONSON AFT) The aft guest stateroom in the portside hull of MAXIM is designed to offer comfort and privacy for visiting friends or family. This well-appointed cabin features a spacious double berth, ample natural light from large hull windows and an overhead hatch, and generous storage options including a hanging locker and shelving. Contemporary finishes and quality materials create a relaxing, welcoming atmosphere, while integrated reading lights and ventilation ensure comfort day or night. With direct access to a nearby guest head and shower, the forward guest stateroom is a perfect retreat for extended stays at sea. ## SUMMARY

If you've been dreaming about taking the leap and living life on your own terms, MAXIM feels like the boat that makes it all possible. She's comfortable, capable, and has everything you'd want to start exploring—whether that's island-hopping through the Caribbean or just enjoying quiet anchorages with friends and family. With her spacious owner's suite, upgraded galley, reliable Yanmar engines, and robust solar and wind power setup, MAXIM is ready for real adventures and everyday living alike. You've worked hard to reach this point, and it's time to find a boat that's as ready for adventure as you are. Honestly, you owe it to yourself to come see MAXIM in person—she's the kind of boat that makes you excited about what comes next. If you're ready to make those cruising plans a reality, this Lagoon 42 is the perfect place to start.
